Saturday–Sunday

AUGUST 17–18

AGES 6–18

The 2024 Self Expression Tour promises to be an exhilarating celebration of dance, dedicated to honoring every dancer and studio through its commitment to top-notch teaching and artistic expression. This tour seeks to create a vibrant tapestry of movement, embracing diverse styles and backgrounds while fostering an environment where individuality flourishes. With a focus on quality instruction, the tour aims to empower dancers of all levels, nurturing their talents and encouraging self-expression. It's set to be a mosaic of creativity, uniting the dance community in a shared passion for the art form while championing inclusivity and excellence in teaching.
