SUMMER ACRO, CORE, FLOORWORK BOOTCAMP!

AGES 6-18

Acrobatics (Acro) is an activity that emphasizes the combined beauty of Dance and Acrobatics. Gymnastic skills add excitement to the discipline. We are proud to offer this new comprehensive program whose simple, thoughtful progressions (*Flexibility, Strength, Balancing, Limbering and Tumbling*) take the beginner preschool level student from log rolls and summersaults to the advanced student tumbling effortlessly across the floor! The program is designed to teach acro through safe, proper progressions and stresses the importance of alignment and training everything on both sides of the body.
